Architect's drawing of future campus expansion at Thompson Academy. The new buildings will enable the school to increase its enrollment, while also unburdening the already cramped dormitories.

# ALMA MATER

On an Island, o'er the water,  
Cool, and sparkling blue;  
Stands our school, our Alma Mater  
Glorious to view.

Raise the banner, sing her praises  
Thompson, Hail to thee!  
We will honor you and love you,  
Thompson, by the sea.

Lift the standard, fly her colors,  
Navy Blue and Gold  
We will always rally to thee  
We, her sons so hold.

Raise your voices, sing for Thompson  
Loyal sons are we—  
We will honor, laud, and love thee,  
Thompson — Hail to thee.

## DEDICATION

We, the Class of 1964, dedicate this and every other page of this yearbook to Frank Cormier. His contributions are immense; yet overshadowed by everyday life. He is a quiet man—laconic; he has a wry sense of humor and always a twinkle in his eyes.

As a gesture of respect and admiration we dedicate the '64 Islander to you, Frank.

# APPRECIATION

To David H. Brock we wish to extend our thanks for all of the help which he has given us, especially on our yearbook.

We all wish you the best of luck and happiness in the future.

Hi! Honey . . .

Watch your step, son!

You're Checked!

Smile . . .

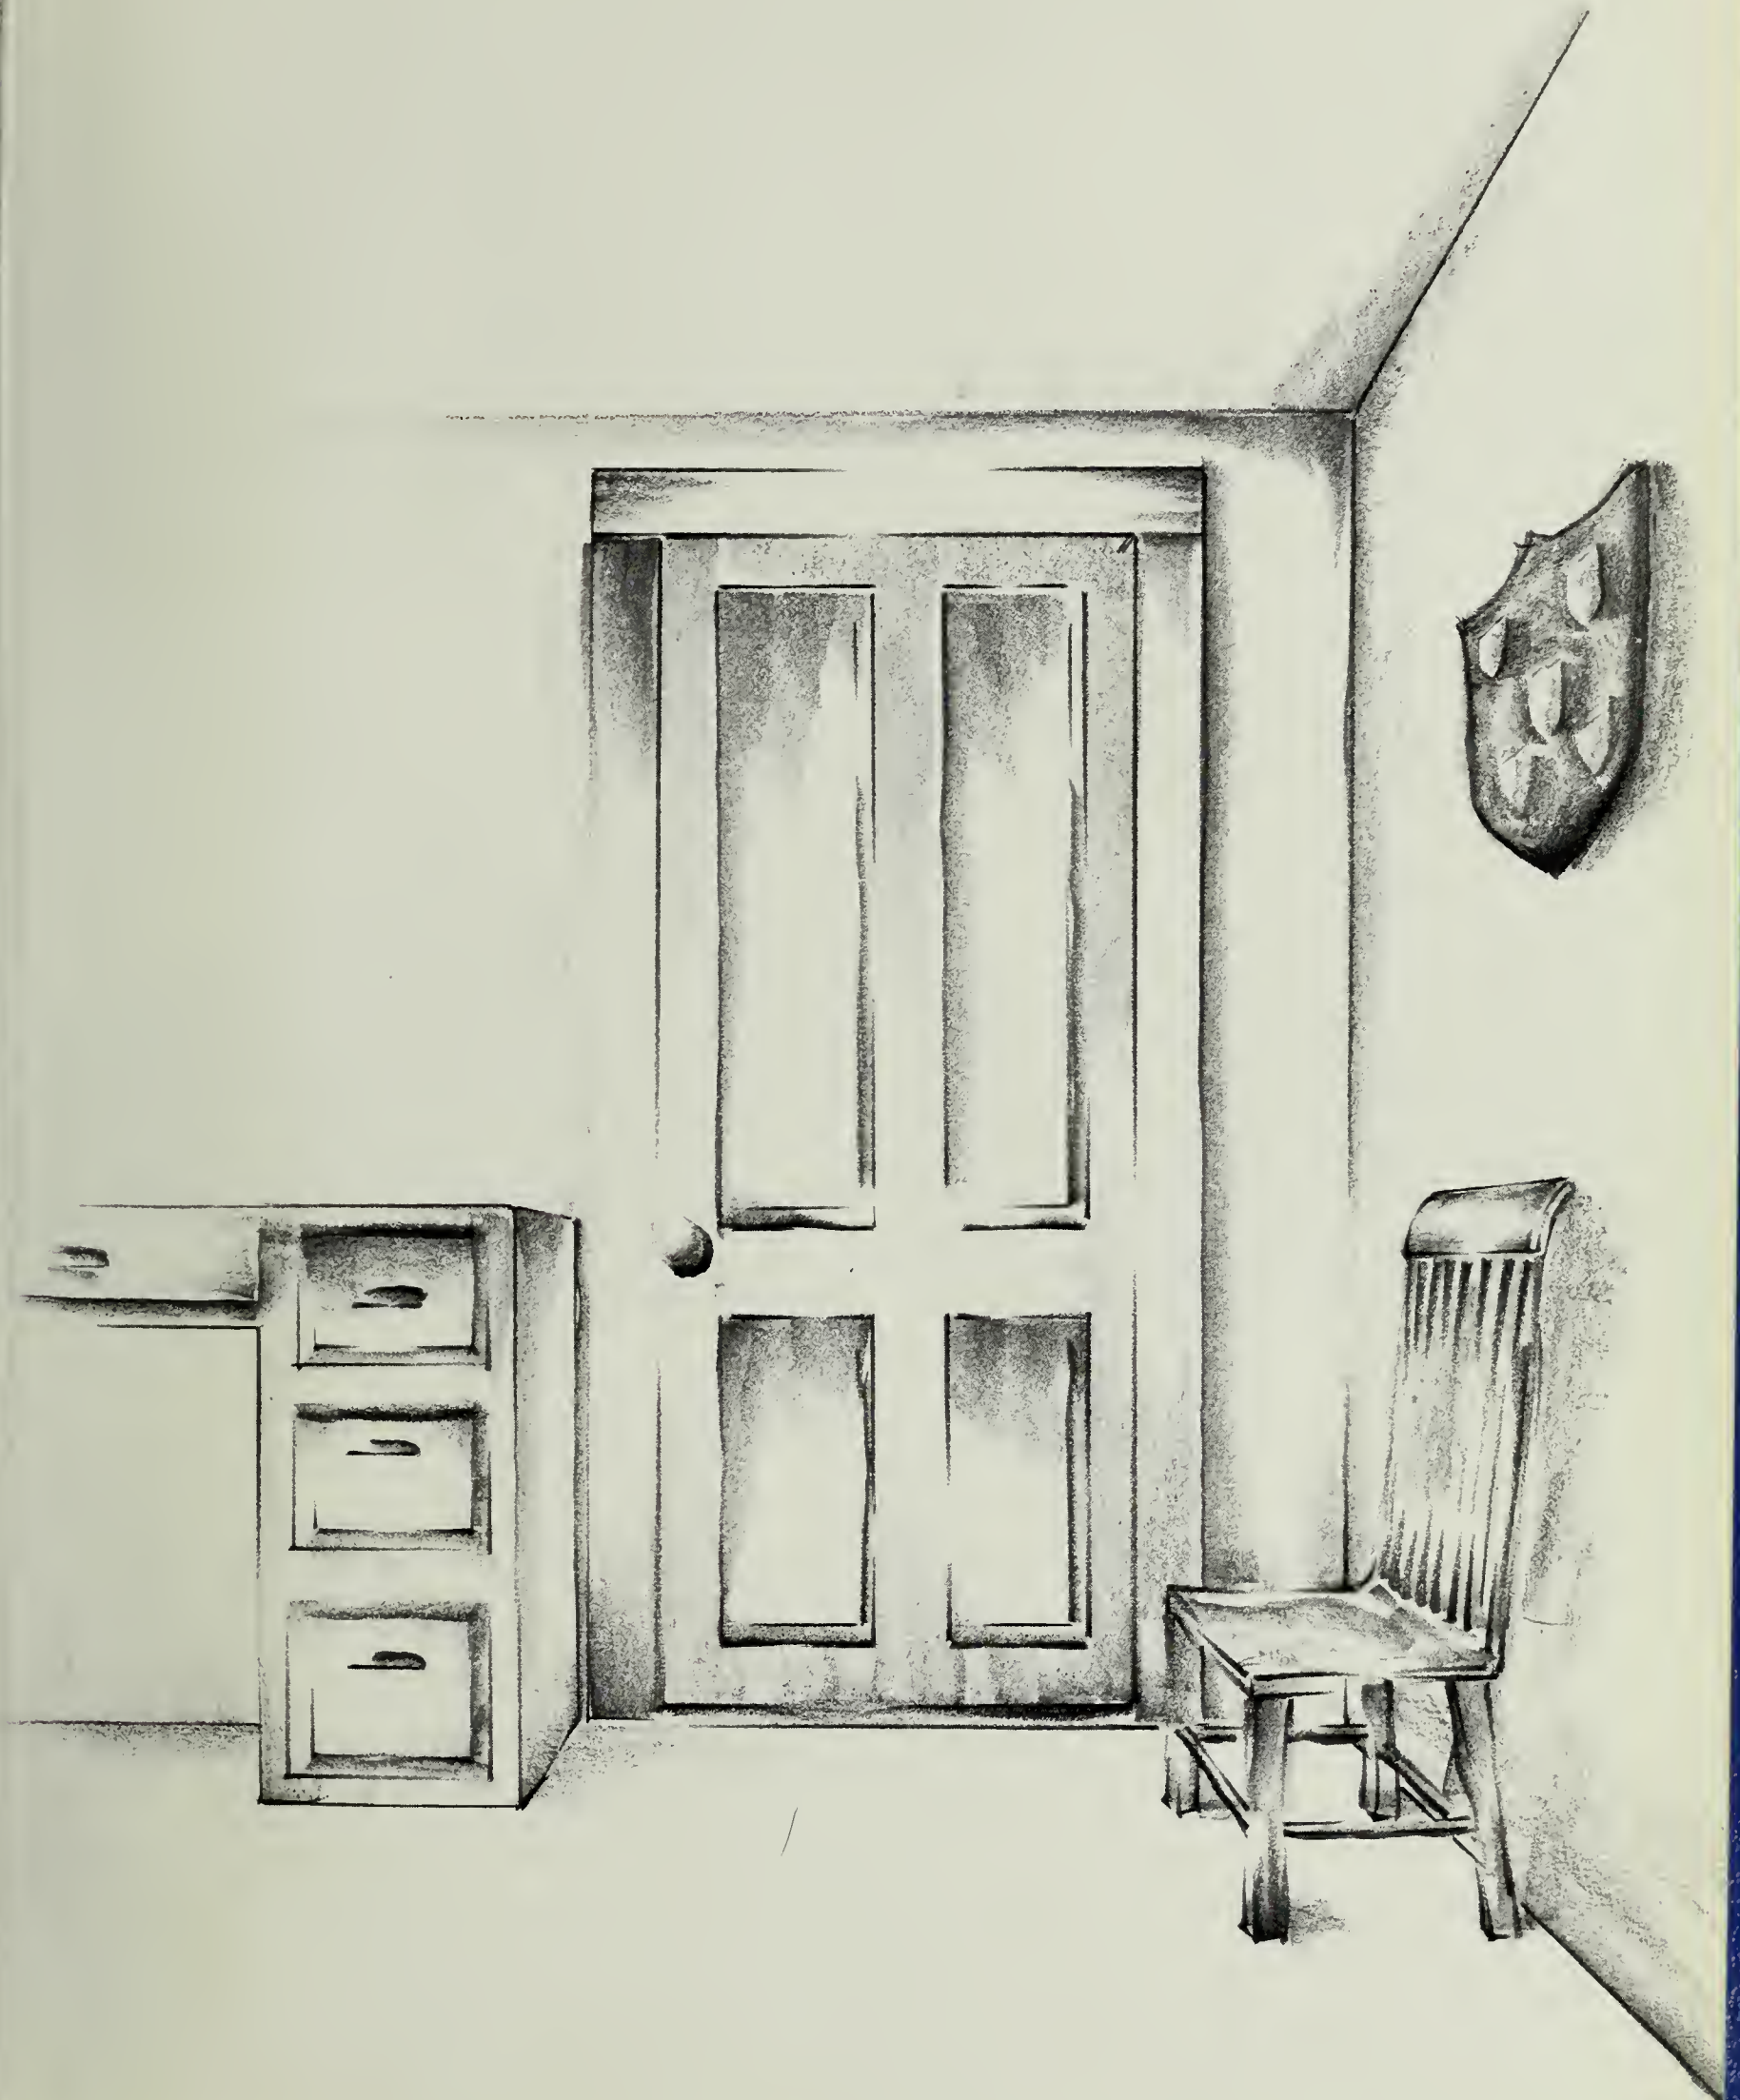

Big test tomorrow!

# *ADMINISTRATION*

## *HEADMASTER'S MESSAGE*

As each of you sets out to "make your fortunes," I ask that you keep these things in mind.

There is no substitute for honesty and integrity in everything you do. Do not bargain away these virtues by mundane rationalizations or innocuous equivocations. Let it be said that your word is your bond.

Let it also be said that you are a moral and Christian man. The paths to immorality and vice are enticing and simple to follow. It takes men of character and depth to withstand the pressures that we are exposed to regularly and I charge you to rise to this challenge and meet it fearlessly and bravely.

For those of you who will be married men, let it further be said that you are a fine family man. It is a strange paradox that the act of begetting children is one of the simplest of all biological acts - while the act of bringing these children up is at once the most difficult and the most rewarding of all things we do in this world. Love your families and be diligent in providing for and protecting them.

Lastly, let it also be said that you are a humble man. This does not imply that you are not a brave man. It means that you are kind, courteous, and friendly. You will find in all walks of life those who are arrogant, selfish, and demanding. Think how you react to them and then contemplate on how people react to you.

Make the most of your life and enjoy living. Keep a sense of perspective and honor about yourselves - extend this same consideration to others and you are assured of the "good life."

## *DEAN'S MESSAGE*

Your stay here at Thompson Academy has been comparatively short when you think what lies ahead. You have passed through the difficult embryonic phase of life, you have grown physically, socially, and mentally. You have developed character.

Now it is time to depart from this dependent way of life and start to grow on your own. Each day will provide a new challenge and a new experience - use them wisely to shape and hasten your rate of development.

The diploma you receive places you on a new plateau. It is a legal license to take your well-deserved place in the world. Accept the privileges and responsibilities it represents.

You have learned words such as honor, integrity, fair play, duty, and leadership but these are no longer just a list of English vocabulary - they now have an inner meaning for you. As you start along the road of life, walk straight, and carry these values with you as though they were your shadow. There will be times when the road looks dark and narrow and at other times bright and leading to great success. As you travel keep in mind this thought "To thine own self be true" and that God will always be with you.

You have prospered from a job well done.

## *CLASS HISTORY*

Our first two years at Thompson Academy were filled with trial and error. The accomplishments of the class of 1964 appear in our last two years.

At the beginning of our junior year Kevin Shaw was elected president, William Maddox vice president, and James Ryan secretary-treasurer. Richard McGonagle, Richard Morgera, and James O'Hearn were our representatives to the Student Council. The combined efforts of the junior and senior classes resulted in the creation of a Junior-Senior Lounge. The class also sponsored a Spring Hop and Easter Dance. The highlight of the year came with our showing of "Abandon Ship," the first class-sponsored film.

As seniors, we once again elected Kevin Shaw president, James Ryan became vice president, and John Fields secretary-treasurer. Richard McGonagle gained leadership of the Student Council along with Richard Morgera and Paul Coleman as representatives.

An auction and finally the Senior Prom completed our last year. Baccalaureate services were held on May 31st and Graduation followed on June 6th.

Respectfully submitted,

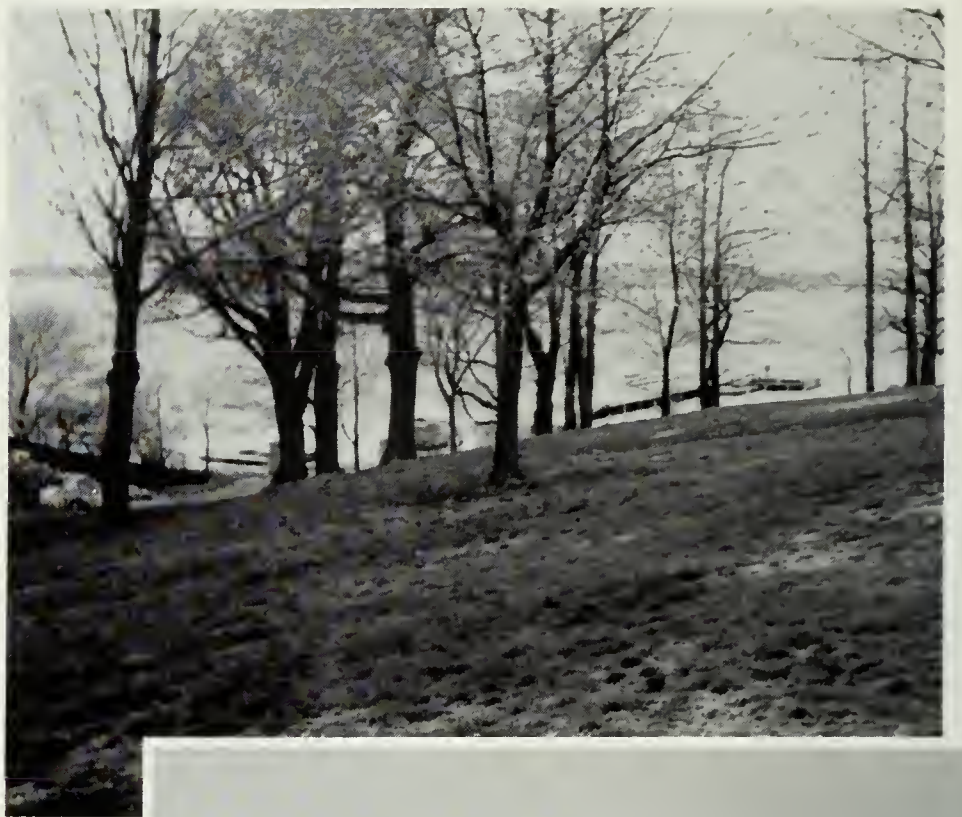

John Fields, Secretary

## BAND

Created in 1857, the Thompson Academy band is the first and oldest school band in the country.

However, due to increasing outside activities, the band—which was once quite large is now diminishing in size.

We sincerely hope that next year's students will take a more active interest in its functions and increase its enrollment.

FIRST ROW: J. Mulvey, J. Hanley, P. Palermo, E. Upton, A. McCloud, A. Allen, M. Trentham, D. Bolivar. SECOND ROW: G. Lambert, P. Travers, R. Verbeck, R. Davis, D. Maragioglio, B. Bingham, R. Morgera.

## GLEE CLUB

Under the direction of Mr. Charles Ayvazian, the Glee Club is the newest of activities at Thompson Academy.

Organized in 1963, the club started with a large turnout of avid participants.

The Glee Club offers a good deal of fun and enjoyment, while appealing to the student of differing tastes.

## YEARBOOK COMMITTEE

Hi! We're the Yearbook Committee.

This year's yearbook is larger and more expensive than those in the past. We also think that its text has more quality than those in the past, but you're our judges, so you decide.

We hope you enjoy it!

LEFT TO RIGHT, SEATED: B. Bingham, G. Lambert, R. Morgera, R. Verbeck, R. McGonagle, P. Travers. STANDING: A. Allen, M. Trentham, J. O'Hearn, co-editor; K. Shaw, co-editor; S. Govey, J. Fields.

## *STUDENT COUNCIL*

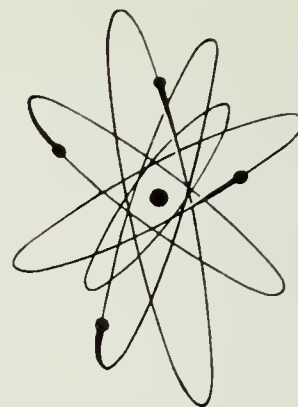

The Student Council is one of the more helpful of school organizations.

Acting as mediator for student relations, the Student Council helps plan class social functions, settles inter-class disputes and gives the individual classes a helping hand when needed.

SEATED: C. Swindell, K. Parker, R. McGonagle, pres.; P. Colman. STANDING: D. Maragioglio, M. Milton, L. Oliver, R. Morgera, R. Favier, P. Ramos, E. Hanna.

## SCIENCE FAIR

Started in 1962, the Science Fair has been greatly enjoyed by all at Thompson's.

The differing projects which may be prepared, and then exhibited for an award seem to greatly appeal to our students.

LEFT TO RIGHT: W Maddox, Treas.; J. Jones, Pres.; A. McCloud, Sec.; D. Boyajian.

## *SEAHAWK CLUB*

The Seahawk Club was begun in 1962, with exclusive membership to varsity athletes holding three varsity letters from sports participation.

The club caters to visiting teams, organizes pep rallies and initiates school spirit.

## COACH'S MESSAGE

This year's team did very well considering the uncontrollable and adverse conditions under which we were forced to play. Before the season had got to a start, we had lost our complete first string backfield because of injury. Encountering strong competition, the remainder of the team played with avid determination, and more than once we lost a game because of a bad break. The highlight of the year came when we defeated our traditional rival, Rivers (6-0).

## COACH'S

The Senior Coefficient team had the best season since we started Coefficient Football in 1957, winning all six of its games. The team was well balanced, strong offensively and very strong defensively. The first team was not scored upon—all opponents' scores coming while the second or third teams were in.

# MESSAGE

It was a season where it was possible to use almost all of the squad members in each game. The squad was a hard-working one—with tremendous spirit and drive. The highlight of the season was the victory over Belmont Hill for the first time (26-0). Coaches Ray Thomas and Doug Wood, and Mike Thornberry, who gave valuable assistance when time permitted, are really proud of this team.

# *GRADUATION*

Lay me on an anvil, O God.  
Beat me and hammer me into a crowbar.  
Let me pry loose old walls.  
Let me lift and loosen old foundations.

Lay me on an anvil, O God.  
Beat me and hammer me into a steel spike.  
Drive me into the girders that hold a skyscraper  
together.  
Take red-hot rivets and fasten me into the central  
girder.  
Let me be the great nail holding a skyscraper through  
blue nights into white stars.
